CASP Volunteer Activity Log

If you'd like to keep track of your volunteer activities on paper, print this sheet and log your hours and mileage in the table below. Periodically submit the sheet to the Volunteer Coordinator, either by emailing a photo/scanned image to volunteering@caspvt.org or by writing to that address to obtain the postal mailing address.

If you'd prefer logging your hours and mileage online, go to caspvt.org/activitylog.

Many thanks for your volunteer work with CASP!
